

“FOOTBALL SEASON” CAMPAIGN

There’s nothing like a hot, fresh pizza on game day, for fantasy football, or the big game we can’t mention by name. These are the high times for pizza ordering and you don’t want to miss out. Use these posts to let people know you’ve got a superior product that can make any game day epic. Feel free to add football specials to any of the post copy options.

TIMING: This campaign can be used to increase engagement on your social channels and bring more foot traffic to your restaurant any time from early August through early February.

HOW MUCH TO POST: These assets can be reused, but we recommend spacing posts out by about a week. Try not to post twice in the same day.

SUGGESTED POST COPY:

PAID SOCIAL ON FACEBOOK

Putting paid support behind your posts not only allows you to reach people who don't follow you (i.e. potential customers), it also allows you to reach *all* of your followers. Organic reach, the percentage of your audience that will see each post, has severely declined. This means that even a small amount (\$25) of paid investment can go a long way.

If you're interested in paid social, we recommend boosting—quickly putting money behind an existing post.

TO BOOST YOUR POSTS, FOLLOW THE INSTRUCTIONS BELOW:

ON DESKTOP

1. Navigate to your company page on Facebook.
2. Find the post that you'd like to put money behind and press **Boost Post**.
3. Select an **Objective**. We'd recommend **Link clicks** if you have a specific web page you'd like to drive traffic to, otherwise select **Post engagements**.
4. We'd recommend adding an optional **Post Button**. **Shop Now, Learn More, Book Now, Get Directions**, or **Send Message** are good options.
5. Select your target **Audience**. If you only want to target your fans, select **People who like your page**. We'd recommend either selecting **People who like your page and their friends**, or **People in your local area**. You can also build a custom audience (choosing demographic, geographic location, and interests) by selecting **Create new audience** in the bottom right corner of this section.
6. Choose your ad **Duration** and **Budget**.
7. Select the ad account that you'd like to use for this. Note: you'll either need to use your personal ad account, or an ad account associated with your business page. The option you select needs to have a payment method associated with it.
8. Press **Boost**.
