GRÄNDE®
CHEESE COMPANY

"IT STARTS WITH MILK" CAMPAIGN

What makes Grande Cheese so delicious? It starts with the quality milk supply that Grande receives from dedicated family dairy farms. With this simple video, you can tell customers about the purity of our milk and how it all adds up to the inherent quality that's packed into your pizza.

TIMING: This campaign can be used any time to increase engagement on your social channels and bring more foot traffic to your restaurant.

HOW MUCH TO POST: If you want to use these assets multiple times, we recommend spacing out posts by a few weeks.

SUGGESTED POST COPY:

1. It takes the best milk to make the best cheese for our pizza. The milk that's used to make our cheese is super high quality, exceeding national standards. #GrandeCheese

2. Our cheese comes from a place in Wisconsin called #GrandeCheese. To make it, they use only the purest milk from dedicated family dairy farms.

PAID SOCIAL ON FACEBOOK
Putting paid support behind your posts not only allows you to reach people who don't follow you (i.e. potential customers), it also allows you to reach *all* of your followers. Organic reach, the percentage of your audience that will see each post, has severely declined. This means that even a small amount ($25) of paid investment can go a long way.

If you're interested in paid social, we recommend boosting—quickly putting money behind an existing post.

TO BOOST YOUR POSTS, FOLLOW THE INSTRUCTIONS BELOW:

ON DESKTOP
1. Navigate to your company page on Facebook.
2. Find the post that you'd like to put money behind and press **Boost Post**.
3. Select an **Objective**. We'd recommend **Link clicks** if you have a specific web page you'd like to drive traffic to, otherwise select **Post engagements**.
4. We'd recommend adding an optional **Post Button**. **Shop Now**, **Learn More**, **Book Now**, **Get Directions**, or **Send Message** are good options.
5. Select your target **Audience**. If you only want to target your fans, select **People who like your page**. We'd recommend either selecting **People who like your page and their friends**, or **People in your local area**. You can also build a custom audience (choosing demographic, geographic location, and interests) by selecting **Create new audience** in the bottom right corner of this section.
6. Choose your ad **Duration** and **Budget**.
7. Select the ad account that you'd like to use for this. Note: you'll either need to use your personal ad account, or an ad account associated with your business page. The option you select needs to have a payment method associated with it.
8. Press **Boost**.
