

“QUALITY: PIZZA’S BEST TOPPING” CAMPAIGN

Customers care about where your ingredients come from. And why *your* pizza tastes so good. Let them know through your social media channels with the videos below. This is an opportunity to share how important it is to be committed to quality ingredients, reinforcing that you will never compromise on flavor or quality.

TIMING: This campaign can be used anytime you want to increase engagement on your social channels and bring more foot traffic to your restaurant.

HOW MUCH TO POST: We recommend spacing out the posting by a day or two. Try not to post more than one piece of content from this campaign a day.
