TONY SACCO'S COAL OVEN PIZZA

Never using Freezers, Fryers or Microwaves. All meals are prepared with only the freshest ingredients, daily.

Our unique, custom-built, 1000° anthracite coal-oven draws out intense flavor quickly, all while leaving toppings al dente and imparting a subtle, smoky flavor to our crust.

Never taking shortcuts sets us apart from the rest. This is not your everyday pizza, but pizza you can eat everyday.
